

## INJECTIONS PRODUCT LIST

| PRODUCT NAME                                                                  |
|-------------------------------------------------------------------------------|
| Alpha-Beta Artemether Inj. 75mg/ml & 2ml Glass Ampoule                        |
| Amikacin Sulphate Injection USP 100mg/2ml & 2ml Glass vial                    |
| Amikacin Sulphate Injection USP 100mg/2ml & 2ml Glass vial                    |
| Amikacin Sulphate Injection USP 500mg/2ml & 2ml Glass vial                    |
| Amikacin Sulphate Injection USP 50mg/ml & 2ml Glass vial                      |
| Artemether Injection 40mg/ml & 1ml Glass Ampoule                              |
| Artemether Injection 80mg/ml & 1ml Glass Ampoule                              |
| Betamethasone Sodium Phosphate Inj. 4mg/ml & 5ml Glass Ampoule                |
| Chloroquine Phosphate Inj. 40mg/ml, 2ml Glass Ampoule & 10ml Glass Vial       |
| Citicoline Inj. 250mg/ml, 2ml, 4ml & 10ml Glass Ampoule                       |
| Dexamethasone Sodium Phosphate Injection USP 4mg/ml & 2ml Glass vial/ Ampoule |
| Diclofenac Sodium Injection 25mg/ml, 1ml, 2ml, 3ml & 5ml Glass Ampoule        |
| Diclofenac HCl Injection 10mg/ml & 2ml Glass Vial                             |
| Dobutamine Inj. 50mg/ml, 1ml Glass Vial/ Glass Ampoule & 20ml Glass Vial      |
| Etophylline 84.7 mg/ml & Theophylline 25.3 mg/ml Inj. & 10ml Glass Ampoule    |
| Gentamicin Sulfate Inj. 40mg/ml & 2ml Glass Vial                              |
| Heparin Sodium 1000IU/ml & 2ml Glass Vial                                     |
| Iron sucrose Injection USP 20mg/ml & 5ml Glass Ampoule                        |
| Lidocaine HCl Inj. 10mg/ml, 5ml & 10ml Glass Vial                             |
| Methylcobalamin Inj. 2l & 10ml Glass Vial                                     |
| Methylergometrine Maleate Inj. 0.2mg/ml & 10ml Glass Ampoule                  |
| Nandrolone Decanoate Inj. 25mg/ml & 1ml Glass Ampoule                         |
| Ondansetron Injection 2mg/ml, 2ml, 4ml Glass Ampoule & 20ml Glass Vial        |
| Paracetamol Injection 150mg/ml, 2ml & 5ml Glass Ampoule                       |
| Pheniramine Maleate Inj. 22.75mg/ml & 2ml Glass Ampoule                       |
| Ranitidine Injection BP 25mg/ml & 2ml Glass Ampoule                           |
| Tobramycin Inj. 40mg/ml & 2ml Glass Vial                                      |
| Tramadol HCl Inj. 50mg/ml & 1ml Glass Ampoule                                 |
| Asparaginase 5000 IU, 10000 IU                                                |
| Daunorubicin 20 mg/4 ml                                                       |
| Dacarbazine 100 mg, 200 mg, 500 mg                                            |
| Dactinomycin 0.5 mg                                                           |
| Topotecan 4 mg/ 4 ml                                                          |
| Vincristin 1 mg/ml                                                            |
| Fludarabine 50mg/ 2ml                                                         |
| Etoposide 100 mg                                                              |
| Busulfan 60 mg                                                                |
| Cisplatin 10 mg, 50 mg                                                        |
| Carmustine 100 mg                                                             |
| Vinorelbine 50 mg                                                             |
| Epirubicin 10mg, 50mg, 100mg                                                  |
| Carboplatin 150 mg, 450 mg                                                    |

| PRODUCT NAME                                                     |
|------------------------------------------------------------------|
| Fluorouracil 250 mg, 500 mg, 1000 mg                             |
| Cabazitaxel 60 mg                                                |
| Gemcitabine 200 mg, 1000 mg, 1400 mg                             |
| Cyclophosphamide 500 mg, 1000 mg                                 |
| Irinotecan 20mg/ml                                               |
| Doxorubicin 10mg, 20mg, 50 mg                                    |
| Methotrexate 25mg/ml, 100 mg/ml                                  |
| Oxaliplatin 50 mg, 100 mg                                        |
| Docetaxel 20 mg, 80 mg, 120 mg                                   |
| Bendamustine 100 mg                                              |
| Bortezomib 2 mg, 3.5 mg                                          |
| Paclitaxel 30 mg, 100 mg, 260 mg                                 |
| Pemetrexed 100 mg, 500 mg                                        |
| Fulvestrant 250mg                                                |
| Leuprorelin 11.25 mg                                             |
| Leucovorin 50mg/100mg/300mg                                      |
| Vitamin B-complex Inj. 5ml & 10ml Glass Vial                     |
| Lidocaine and Epinephrine Injection 1%w/v and 1:100000           |
| Lidocaine and adrenaline Injection 2% + 1:50000                  |
| Lidocaine and Epinephrine Injection 2%w/v and 1:200000           |
| Lidocaine and Epinephrine Injection 1%w/v and 1:200000           |
| Lidocaine and Adrenaline Injection 20mg and 1:80000              |
| Nimesulide Injection 100mg/ml                                    |
| Palonosetron Hydrochloride Injection 0.05mg/ml                   |
| Esomeprazole Sodium For Injection 40mg                           |
| Cimetidine Injection 100mg/ml                                    |
| Ivermectin 1% and Clorsulon 10%                                  |
| Levamisole Hydrochloride+Oxyclozanide 3%w/v+6%w/v                |
| Closantel and Levamisole Injection 50mg + 100mg/ml               |
| Levamisole Hydrochloride and Rafoxanide Injection 30mg + 45mg/ml |
| Levamisole Hydrochloride Injection 100mg/ml                      |
| Praziquantel Injection 56.8 mg/ml                                |
| Doramectin Injection 10mg                                        |
| Diltiazem Hydrochloride Injection IP 5mg/ml                      |
| Isosorbide Mononitrate Injection 1mg/ml                          |
| Isosorbide Dinitrate Injection 1mg/ml                            |
| Isosorbide Dinitrate and Glucose Injection 1mg/ml                |
| Amiodarone Injection 50mg/ml                                     |
| Amiodarone Sterile Concentrate BP 50mg                           |
| Lorazepam Injection 4mg/ml                                       |
| Diazepam Injection 5mg/ml                                        |
| Midazolam Injection BP 5mg/ml (Single Use)                       |

| PRODUCT NAME                                                                       |
|------------------------------------------------------------------------------------|
| Diazepam Injection IP 10 mg./ml.                                                   |
| Lorazepam Injection 2mg                                                            |
| Midazolam Injection BP 5mg/ml                                                      |
| Midazolam Injection 1mg/ ml                                                        |
| Mexiletine Injection BP 25mg/ml                                                    |
| Procainamide Hydrochloride Injection 100mg/ml                                      |
| (Duplicate) Procainamide Injection BP 100 mg./ml.                                  |
| Esmolol Hydrochloride 10mg/ml                                                      |
| Esmolol Hydrochloride 250mg/ml                                                     |
| Omalizumab Injection 150mg/ml                                                      |
| Clenbuterol Hydrochloride Injection 0.03mg/ml                                      |
| Clenbuterol Hydrochloride Injection 150mcg/ml                                      |
| Temocillin Injection 1gm                                                           |
| Rifampicin For Injection 300mg                                                     |
| Spectinomycin for Injectable suspension 2g                                         |
| Placentrex Injection 2ml                                                           |
| DIPHTHERIA ANTITOXINS IP 10000 IU                                                  |
| Aztreonam Injection 500mg,250mg 2gm                                                |
| Cefotaxime Sodium Injection 250mg                                                  |
| Enrofloxacin injection 20%                                                         |
| Procaine Penicillin Injection 800,000 IU                                           |
| Doxycycline Hydrochloride For Injection 100mg and Ascorbic Acid Injection 100mg/ml |
| Aztreonam Injection 1 gm                                                           |
| Amoxicillin and Potassium Clavulanate Injection BP 625mg                           |
| Amoxicillin and Potassium Clavulanate For Inj. 1000mg+200mg                        |
| Amoxicillin Sodium For Injection 250 mg.                                           |
| Amoxicillin Sodium For Injection IP 500 mg.                                        |
| Amoxicillin Sodium With Cloxacillin Sodium For Injection 1000 mg. + 1000 mg.       |
| Amoxicillin Sodium and Cloxacillin Sodium For Injection 250 mg. + 250 mg.          |
| Amoxicillin Sodium With Cloxacillin Sodium For Injection 500 mg. + 500 mg.         |
| Amoxicillin With Cloxacillin For Injection 1500+1500 mg                            |
| Amoxicillin With Cloxacillin For Injection 2000+2000mg                             |
| Amoxicillin Sodium and Clavulanate Potassium for Injection 1200 mg                 |
| Ampicillin Sodium For Injection 2000 mg.                                           |
| Ampicillin Sodium For Injection 3000 mg.                                           |
| Ampicillin Sodium For Injection 250 mg.                                            |
| Ampicillin Sodium For Injection 2500 mg.                                           |
| Ampicillin Sodium For Injection 500 mg.                                            |
| Ampicillin Sodium With Cloxacillin Sodium For Injection 1250+1250 mg               |
| Ampicillin and Cloxacillin For Injection Vet 1.5gm+1.5gm                           |
| Ampicillin Sodium With Cloxacillin Sodium For Injection 1000 mg. + 1000 mg.        |
| Ampicillin Sodium With Cloxacillin Sodium For Injection 500 mg. + 500 mg.          |

| PRODUCT NAME                                                                        |
|-------------------------------------------------------------------------------------|
| Ampicillin Sodium With Sulbactam Sodium For Injection 1000 mg. + 500 mg.            |
| Ampicillin Sodium With Sulbactam Sodium For Injection 500 mg. + 250 mg.             |
| Benzathine Benzylpenicillin For Injection 600000IU combi pack-41                    |
| Fortified procaine penicillin for Injection 4MIU                                    |
| Fortified Procaine Penicillin For Injection 1 M.I.U.                                |
| Fortified Procaine Penicillin With Streptomycin For Injection 1.5MIU+0.5MIU+ 2.5 gm |
| Fortified Procaine Penicillin With Streptomycin For Injection 3MIU+1MIU+ 5gm        |
| Fortified Procaine Penicillin For Injection 0.4 M.I.U.                              |
| Meropenem for Injection 1000mg                                                      |
| Penicillin G benzathine Injectable suspension USP 1.2 MIU                           |
| Penicillin G benzathine Injectable suspension USP 2.4 MIU                           |
| Penicillin G Potassium Injection USP 5 M.I.U.                                       |
| Penicillin G Procaine for Injectable Suspension USP 1MIU                            |
| Penicillin G Procaine Injectable 3MIU                                               |
| Piperacillin & Tazobactam for Injection 4g + 0,5g                                   |
| Streptomycin for Injection 1 gm.                                                    |
| Sulfadiazine Injection 250mg/ml                                                     |
| Meropenem and Sulbactam Sodium Injection 1000mg + 500mg                             |
| Cefotaxime Sodium Injection 3000 mg.                                                |
| Cefepime and Tazobactam injection 1000mg+125mg                                      |
| (Duplicate) Cefoperazone Sodium and Sulbactam Sodium Injection 1000mg+500mg         |
| Benzyl Penicillin For Injection 500000IU                                            |
| Penicillin G Benzathine For Injectable Suspension 4 800 000 IU                      |
| (Duplicate) Cefoperazone Sodium and Sulbactam Sodium Injection 500mg+500mg          |

| Pralidoxime Chloride injection IP 375mg/ml                                        |
| Mesna Injection 400mg/ml                                                          |

| PRODUCT NAME                                           |
|--------------------------------------------------------|
| Pralidoxime Chloride Injection 50mg/ml                 |
| Mesna Injection 100mg/ml                               |
| Pralidoxime Iodide Injection 500mg                     |
| Amifostine For Injection 500mg                         |
| Pralidoxime Chloride For Injection 500mg combi pack-50 |
| Methylthioninium Injection BP 10mg/ml                  |
| Leucovorin Calcium Injection 15mg/ml                   |
| (Duplicate) Protamine Sulphate Injection 50mg/5ml      |
| Naltrexone Hydrochloride Injection 380mg               |
| Naloxone Hydrochloride Injection 0.4mg/ml              |
| Glucagon Injection 1mg/ml                              |
| Desferrioxamine Mesilate 500mg Injection (Lyophilized) |
| Granisetron Hydrochloride Injection 1mg/ml             |
| Metoclopramide Hydrochloride Injection 5mg/ml          |
| Ondansetron Injection 2mg/ml                           |
| Palonosetron Hydrochloride Injection IP 0.25mg/ml      |
| Metopimazine Injection 10mg/ml                         |
| Ondansetron Injection 1mg/ml                           |
| Promethazine Hydrochloride Injection 50mg/ml           |
| Promethazine Hydrochloride Injection 25mg/ml           |
| Promethazine Injection 1mg/1ml                         |
| Metoclopramide Hydrochloride Injection 20mg/ml         |
| Adenosine Injection 3mg./ml.                           |
| Phenobarbital Sodium Injection USP 100mg/ml            |
| Phenobarbital Sodium Injection USP 40mg/ml             |
| Carbamazepine Injection 1000mg                         |
| Fosphenytoin Sodium Injection 150mg/ml                 |
| Clonazepam Injection 1mg/ml                            |
| Sodium Valproate Injection 100mg/ml                    |
| Fosphenytoin Sodium Injection 75mg/ml, 2ml             |
| Fosphenytoin Sodium Injection 50mg/ml                  |
| Valproate Sodium Injection 200mg/ml                    |
| Phenytoin Sodium Injection USP 15mg/ml                 |
| Valproate Sodium Injection 25mg/ml                     |
| Phenytoin Sodium Injection IP 100mg                    |
| Phenytoin Sodium Injection 50mg/ml                     |
| Phenobarbital Sodium Injection 200mg/ml                |
| Phenobarbital Sodium Injection 30mg/ml,60mg/ml         |
| Phenytoin Sodium Injection IP 25mg                     |
| Levetiracetam 100mg/ml inj                             |
| Phenobarbital Sodium Injection 130mg/ml                |
| Phenobarbital Sodium Injection 50mg/ml                 |

| PRODUCT NAME                                        |
|-----------------------------------------------------|
| Aminocaproic Acid Injection USP 200 mg./ml,250mg/ml |
| Tranexamic Acid injection 100mg/ml                  |
| Tranexamic Acid injection BP 20mg/ml                |
| Tranexamic Acid injection 10mg/ml                   |
| Aprotinin Injection 100000KIU,200000KIU             |
| Lenograstim For Injection 263mcg                    |
| Aprotinin Injection 10000KIU                        |
| Carbazochrome Salicylate 0.5mg/ml                   |
| Adrenochrome Injection Vet 1mg                      |
| Adrenochrome Injection 0.75mg                       |
| Adrenochrome Monosemicarbazone Injection 5mg        |
| Tranexamic Acid injection 50mg/ml                   |
| Aprotinin Injection 10000KIU (Lyophilized)          |
| Caspofungin Acetate For Injection 500mg             |
| Amphotericin B for Injection 50 mg/Vial,100mg/vial  |
| Caspofungin Acetate Injection 50mg                  |
| Fluconazole Injection 2mg/ml                        |
| Voriconazole Injection 200mg                        |
| Caspofungin Acetate For Injection 50mg              |
| Amphotericin B Liposomal for Injection 50mg/Vial    |
| Amphotericin B Liposomal for Injection 100mg/Vial   |
| Flucytosine Injection 10mg/ml                       |
| Aflibercept Solution for Injection 40mg/ml          |
| Acetazolamide Injection 500mg                       |
| Acetylcholine Chloride Injectable Solution 10mg/ml  |
| Rasburicase Injection 1.5mg                         |
| Levamisole Hydrochloride Injection Vet. 75 mg/ml    |
| Ivermectin injection 10mg/ml                        |
| Ivermectin injection (Vet.) 20mg/ml                 |
| Closantel Injection 10%                             |
| Lithium Antimony Thiomalate                         |
| Lithium Antimony Thiomalate 6% w/v                  |
| Diphenhydramine HCl. Injection USP 10 mg./ml.       |
| Hydroxyzine Hydrochloride Injection USP 25mg        |
| Hydroxyzine Hydrochloride Injection USP 50mg/ml     |
| Dimenhydrinate Injection 10mg/2ml                   |
| Pheniramine Maleate Injection. 22.75mg              |
| Diphenhydramine Hydrochloride Injection 25mg/ml     |
| Isoprenaline Injection IP 1mg/ml                    |
| Dimenhydrinate Injection 50mg/ml                    |
| Isoprenaline Hydrochloride Injection 2mg/ml         |
| Diphenhydramine Hydrochloride Injection 50mg/ml     |

| PRODUCT NAME                                               |
|------------------------------------------------------------|
| Hydroxyzine Hydrochloride Injection 100mg                  |
| Isoprenaline Injection 0.1mg./ml                           |
| Chlorpheniramine Maleate Injection 10mg/ml, 20mg/ml        |
| Zoledronic Acid Injection 4mg                              |
| Zoledronic Acid Injection 5mg                              |
| Pamidronate Disodium for Injection USP 30mg                |
| Pamidronate Disodium for Injection 15mg                    |
| Pamidronate Disodium for Injection USP 60mg,90mg           |
| Dihydralazine Sulfate 12.5mg/ml                            |
| Propranolol Hydrochloride Injection 20mg/ml                |
| Enalapril Maleate Injection 1.25mg/ml                      |
| Nitroglycerin Injection 1mg/ml                             |
| Clonidine Injection BP 150mcg/ml.                          |
| Methyldopa Hydrochloride Injection USP 50 mg./ml.          |
| Verapamil Hydrochloride Injection 2.5 mg./ml.              |
| Phentolamine Mesylate for Injection USP 1mg/ml             |
| Phentolamine Mesylate for Injection USP 10mg/ml            |
| Labetalol Hydrochloride Injection 5mg/ml                   |
| Nifedipine injection 1mg/ml.                               |
| Hydralazine Hydrochloride Injection USP 5mg/ml             |
| Reserpine Injection USP 1mg./ml.                           |
| Hydralazine Hydrochloride Injection 20mg./ml               |
| Hydralazine Hydrochloride Injection 10mg./ml               |
| Hydralazine Hydrochloride Injection 50mg./ml               |
| Atenolol Injection 5mg/10ml                                |
| Sodium Nitroprusside Injection 25mg/ml                     |
| TARTRATE METOPROLOL 1MG/1ML INJ                            |
| Dihydralazine Mesilate Injection 5mg/ml                    |
| (Duplicate) Dihydralazine Mesilate for Injection 25mg/vial |
| Metoprolol Injection BP 5mg                                |
| Metoprolol Injection 1mg/1ml                               |
| Nimodipine Intravenous Infusion BP 200mcg/ml               |
| Nicardipine Hydrochloride Injection 1mg/ml                 |
| Nitroglycerin Injection 5mg/ml                             |
| Glyceryl Trinitrate Injection 5mg/ml, 5ml                  |
| Propranolol Hydrochloride Injection 1mg/ml                 |
| Nicardipine Hydrochloride Injection 2.5mg/ml               |
| Clonidine Injection 100mcg/ml                              |
| Nicardipine Hydrochloride Injection 2mg/ml                 |
| Deslanoside Injection 0.4mg/2ml                            |
| Metaraminol Injection 10mg/ml                              |
| (Duplicate) Metaraminol Tartrate Injection 10mg/ml         |

| PRODUCT NAME                                                       |

| Alcohol Liquid 900mg/ml (90%)                                                                                                   |
| Diluent of Decitabine for Injection                                                                                             |
| Diluent For Leuprolide Acetate Injection 3.75mg, 11.25mg                                                                        |
| Bacteriostatic Water For Injection ( Thiomersal )                                                                               |
| Boldenone 200 Injection                                                                                                         |
| Boldenone Injection 100mg                                                                                                       |
| Doxapram Hydrochloride Injection 20mg/ml                                                                                        |
| Citilone Injection 50mg                                                                                                         |
| Cerebrolysin Solution For Injection 215.2mg/ml                                                                                  |
| Hyaluronate Sodium inj.implant                                                                                                  |
| Trimebutine Maleate Injection 50mg                                                                                              |
| Beractant Suspension for Injection 25mg/ml                                                                                      |
| Phosphocreatine For Injection 1GM                                                                                               |
| Phloroglucinol and Trimethylphloroglucinol Injection 40mg + 0.04mg/4ml                                                          |
| Vitamin D2 Injection 600000 IU                                                                                                  |
| Arsenic Trioxide Injection 1mg/ml                                                                                               |
| Sodium Hyaluronate Injection 1.8% PFS                                                                                           |
| Fluorescein Injection 10%                                                                                                       |
| Alglucosidase Alfa Powder for Concentrate Solution for Infusion 50mg                                                            |
| Bovine Lipid Extract Surfactant Injectable Suspension 27mg                                                                      |
| Galsulfase Injection 1mg/ml                                                                                                     |
| Poractant Alfa Injection 80mg/ml                                                                                                |
| Fluorescein Injection 20%                                                                                                       |
| Vinpocetine Injection 10mg/ml                                                                                                   |
| Sodium Tetradecyl Sulphate Injection 30mg/ml                                                                                    |
| Yohimbine Hydrochloride Injection 10mg/ml                                                                                       |
| Yohimbine Injection 6.25mg/ml                                                                                                   |
| Methylergometrine Maleate Injection IP 0.5mg/ml                                                                                 |
| Methylergometrine Maleate Injection 0.125mg/ml                                                                                  |
| Ergometrine Injection 0.2mg/ml                                                                                                  |
| Ergometrine Maleate Injection 0.25mg/ml                                                                                         |
| Methylergometrine Maleate Injection 0.2mg/ml                                                                                    |
| Ergometrine Injection 0.5mg/ml                                                                                                  |
| Ergonovine Maleate Injection USP 0.20mg/ml                                                                                      |
| Methylergometrine Maleate Inj., Phytomenadione Inj. , Thiopental Sodium Inj. and Bupivacaine Hydrochloride Injection Combi Pack |
| Ergometrine and Oxytocin Injection 500 mcg. + 10 I.U./ ml.                                                                      |
| Papaverine Hydrochloride Injection 40mg/ml                                                                                      |
| Sodium Nitroprusside for Injection 50mg                                                                                         |

| PRODUCT NAME                                                 |
|--------------------------------------------------------------|
| Sodium Nitroprusside Intravenous Infusion BP                 |
| Isoxsuprine Hydrochloride Injection 5mg/ml                   |
| (Duplicate) SODIUM NITROPRUSSATE 50MG/2ML INJ                |
| Milrinone Injection 1mg/ml                                   |
| Soyabean Casein Digest Medium 30mg/ml                        |
| Soyabean Casein Digest Medium 30mg/ml                        |
| Actovegin Injection 40mg/ml                                  |
| LARGE VOLUME PARENTAL                                        |
| <b>Nutrient, Fluid replenisher</b>                           |
| Dextrose Injection. 5%,10% 25% 500ml & 1000ml                |
| Sodium Chloride 0.9% & Dextrose 5% Injection. 500ml & 1000ml |
| Sodium Chloride 0.45% & Dextrose 5% Injection. 500ml         |
| <b>Fluid and electrolyte replenisher</b>                     |
| Sodium chloride Injection 0.9% 100ml,500ml & 1000ml          |
| Sodium Chloride Injection. 0.45% 500ml                       |
| Ringer Lactate Injection. 500ml & 1000ml                     |
| <b>Osmotic Diuretic</b>                                      |
| Mannitol Injection 10%.20% 100ml & 500ml                     |
| <b>Nutrient &amp; Fluid replenisher</b>                      |
| Multiple electrolytes 'P' & Dextrose Injection. 500ml        |
| Multiple electrolyte 'G' & Dextrose Injection. 500ml         |
| Multiple Electrolyte 'M' & Dextrose Injection. 500ml         |
| Multiple electrolytes 'E' & Dextrose Injection. 500ml        |
| <b>Antibacterials</b>                                        |
| Ciprofloxacin Injection. 100 ml                              |
| Ofloxacin Infusion 100 ml                                    |
| Levofloxacin Infusion 100 ml                                 |
| Gatifloxacin Infusion 4mg/ml 100 ml                          |
| Moxifloxacin Infusion 100 ml                                 |
| Pefloxacin infusion 400mg/100ml 100 ml                       |
| <b>Oxazolidinones</b>                                        |
| Linezolid I.V Injection. 300 ml                              |
| <b>Antifungal</b>                                            |
| Fluconazole I.V. Injection 100 ml                            |
| <b>Antiamoebic</b>                                           |
| Metronidazole Injection. 100 ml                              |
| Ornidazole Infusion 100 ml                                   |
| <b>Antiprotozoal</b>                                         |
| Tinidazole I.V.Injection 400 ml                              |
| <b>Analgesic; Antipyretic</b>                                |
